Rise Up, Shepherd and Follow

CHORUS

```
D                         C            D
Follow, follow, rise up shepherd and follow,
                   G    D              G            D
Follow the star of Beth-lehem, rise up shepherd and follow.
-------------------------------------------------------------

D                           G         D
There's a star in the east on Christ-mas morn,
        C            D
Rise up shepherd and follow.
                                      G        D
It will lead to the place where the Savior's born.
        G            D
Rise up shepherd and follow.
```

CHORUS

```
                     G          D
Leave your sheep and leave your lambs.
        C            D
Rise up shepherd and follow.
                    G          D
Leave your ewes and leave your rams,
        G            D
Rise up shepherd and follow.
```

CHORUS

```
                      G              D
If you take good heed to the angel's words.
        C            D
Rise up shepherd and follow.
                                    G           D
You'll forget your flocks, you'll forget your herds.
        G            D
Rise up shepherd and follow.
```
