The First Noel

<u>CHORUS</u>
```
A        E      D      A      D          A        D    A
Noel, No-el, No-el, No-el; born is the King of Isra-el
```
___

```
A            E      D       A
The first No-el the angel did say,
       D            A           D           A
Was to certain poor shepherds in fields as they lay;
                  E        D           A
In fields where they lay keeping their sheep,
     D         A       D     A
On a cold winter's night that was so deep.
```

CHORUS

```
A         E        D    A           D       A       D         A
They looked up and saw a star, shining in the east be-yond them far;
          E       D        A
And to the earth it gave great light,
    D        A          D        A
And so it con-tinued both day and night.
```

CHORUS

```
A             E       D          A           D       A      D          A
This star drew nigh to the north-west, o'er Bethle-hem it took its' rest;
               E       D       A        D      A         D    A
And there it did both stop and stay, right over the place where Jesus lay.
```

CHORUS

```
A             E       D         A           D       A      D         A
Then entered in those wise men three, full reverent-ly up-on their knee,
              E       D        A          D       A
And offered there, in His pres-ence, their gold and myrrh and
D        A
Frankin-cense.
```

CHORUS

```
A           E       D       A           D        A       D      A
Then let us all with one ac-cord, sing praises to our heavenly Lord;
               E         D       A
That hath made heaven and earth of naught,
     D       A       D         A
And with his blood man-kind hath bought.
