

## *What Child is This?*

Em                    G                    D                    Em                    B7  
What child is this. Who laid to rest, On Mary's lap is sleeping?  
Em                    G                    D                    Em                    B7                    Em  
Whom angels greet with anthems sweet, while shepherd's watch are keeping?  
G                    D                    Em                    B7  
This, this is Christ the King, Whom shepherds guard and angels sing.  
G                    D                    C                    B7                    Em  
Haste, haste to bring Him laud, the Babe, the Son of Mary!

                  G                    D                    Em                    B7  
Why lies he in such mean estate, where ox and ass are feeding?  
Em                    G                    D                    Em                    B7                    Em  
Good Christian fear, for sinners here. The silent Word is pleading.  
G                    D                    Em                    B7  
Nails, spear, shall pierce Him through, the cross be born, for me, for you.  
G                    D                    C                    B7                    Em  
Hail, hail the Word made flesh, the Babe, the Son of Mary!

                  G                    D                    Em                    B7  
So bring him incense, gold and myrrh. Come peasant, king, to own him.  
Em                    G                    D                    Em                    B7                    Em  
The King of kings sal-vation brings. Let loving hearts en-throne Him.  
G                    D                    Em                    B7  
Raise, raise the song on high, the Virgin sings her lullaby.  
G                    D                    C                    B7                    Em  
Joy, joy for Christ is born, the Babe, the Son of Mary!
