

Dirty Old Town

D
I met my love by the gasworks croft.
G A D
Dreamed a dream by the old ca-nal.
Bm D
Kissed my girl by the factory wall.
Em A Bm
Dirty old town, dirty old town.

D
I heard a siren from the docks.
G A D
Saw a train set the night on fire.
Bm D
Smelled the spring on the smoky wind.
Em A Bm
Dirty old town, dirty old town.

D
Clouds are drifting across the moon.
G A D
Cat's are prowling on their beats.
Bm D
Springs a girl from the streets at night.
Em A Bm
Dirty old town, dirty old town.

D
I'm going to make a good sharp axe,
G A D
Shining steel tempered in the fire.
Bm D
I'll chop you down like an old oak tree.
Em A Bm
Dirty old town, dirty old town.

D
I met my love by the gasworks croft.
G A D
Dreamed a dream by the old ca-nal.
Bm D
Kissed my girl by the factory wall.
Em A Bm
Dirty old town, dirty old town.
Em A D
Dirty old town, dirty old town.
