

If Wishes Were Fishes

CHORUS

D G D G
If wishes were fishes, I know where I'd be,
D A
Casting my net in the dark rolling sea,
G D G
And if my net's empty when it comes back to shore,
D A
I'll throw it away and go fishing no more.

D G
I wish I was home again, at home in my heart again.
D A
It's been a long time since my heart talked to me.
D G
Wasting my precious days, wishing my life away.
D A D
If wishes were fishes we'd all cast nets in the sea.

D G
I wish I was young again, my song to be sung again.
D A
The sweet tunes of my life have gone sour and off key.
D G
Writing my tired old rhymes, trying to turn back time.
D A D
If wishes were fishes we'd all cast nets in the sea.

CHORUS

D G
I wish I could care again, reach out and share again.
D A
Mend what's been broken and let it run free.
D G
The older I get, it seems, more wishin' takes the place of dreams.
D A D
If wishes were fishes we'd all cast nets in the sea.

CHORUS

Repeat first verse
