

Lay Down Beside Me

[3/4 time]

G C D7 G
I spent my life lookin' for you.
C D7 G
Findin' my way wasn't easy to do.
D C G
But I knew there was you all the while,
C D7
And its been worth every mile.

G C
So lay down beside me, love me and hide me
G D
And kiss all the hurtin' of this world a-way
G C
Hold me so close that I feel your heart beat
G D7 G
And don't ever wander a-way.

G C D7 G
Mornings and evenings all were the same
C D7 G
There was no music till I heard your name
D C G
I knew when I saw you smile
C D7
And now I can rest for a while.

G C
So Lay down beside me, love me and hide me
G D
And kiss all the hurtin' of this world a-way
G C
Hold me so close that I feel your heart beat
G D7 G
And don't ever wander a-way.
