

Song For A Winter's Night

G D Em C
The lamp is burning low up-on my table-top.
G D G D7
The snow is softly falling.
G D Em C
The air is still in the silence of my room.
G D G D7
I hear your voice softly calling.
G D C D D7 Em Am D7
If I could only have you near, to breathe a sigh or two;
G D Em C
I would be happy just to hold the hands I love,
G D G
On this winter night with you.

G D Em C
The smoke is rising in the shadows over-head.
G D G D7
My glass is almost empty.
G D Em C
I read a-gain between the lines upon each page,
G D G D7
The words of love you sent me.
G D C D D7 Em Am D7
If I could know with-in my heart, that you were lonely too;
G D Em C
I would be happy just to hold the hands I love,
G D G
On this winter night with you.

G D Em C
The fire is dying now; my lamp is growing dim.
G D G D7
The shades of night are lifting.
G D Em C
The morning light steals ac-ross my window-pane,
G D G D7
Where webs of snow are drifting.
G D C D D7 Em Am D7
If I could only have you near, to breathe a sigh or two;
G D Em C
I would be happy just to hold the hands I love,
G D Em G D G
On this winter night with you, and to be once again with you.
