

## The Unicorn Song

D Em  
A long time ago, when the Earth was green,  
A7 D  
There were more kinds of animals than you've ever seen  
G Em  
They'd run around free while the Earth was being born  
D A7 D  
And the loveliest of all was the uni-corn.

Em  
There were green alligators and long-necked geese,  
A7 D  
Some humpty backed camels and some chimpanzees,  
G Em  
Some cats and rats and elephants, but sure as you're born,  
D A7 D  
The loveliest of all was the uni-corn.

Em  
The Lord saw some sinning and it gave Him pain  
A7 D  
He said, 'Stand back, I'm going to make it rain!'  
G Em  
'Hey, Brother Noah, I'll tell you what to do,  
A A7 D  
Build me a floating zoo,' - 'and take some of them'...

Em  
Green alligators and long-necked geese,  
A7 D  
Some humpty backed camels and some chimpanzees,  
G Em  
Some cats and rats and elephants, but sure as you're born,  
D A7 D  
Don't you forget My uni-corns.'

Em  
Old Noah was there to answer the call.  
A7 D  
He finished up the ark just as the rain started falling,  
G Em  
He marched in the animals two by two  
D A7 D  
And he called out as they went through

Em  
'Hey Lord, - I've got your green alligators and long-necked  
geese  
A7 D  
Some humpty backed camels and some chimpanzees,  
G Em  
Some cats and rats and elephants, but Lord, I'm so for-lorn,  
D A7 D  
I just can't see no uni-corns!'

D  
And Noah looked out through the driving rain, Em  
A7 D  
The unicorns were hiding, playing silly games;  
G Em  
Kicking and splashing while the rain was pourin'  
D A7 D  
Oh, those silly uni-corns!

Em  
There were green alligators and long-necked geese,  
A7 D  
Some humpty backed camels and some chimpanzees,  
G Em  
Noah cried, 'Close the door because it's starting to storm,  
D A7 D  
And we just can't wait for those uni-corns!'

Em  
The ark started moving, it drifted with the tide.  
A7 D  
The unicorns looked up from the rocks and they cried  
G Em  
And the waters came down and sort of floated them a-way  
That's why you've never seen a unicorn to this very day.

D  
You'll see green alligators and long-necked geese, Em  
A7 D  
Some humpty backed camels and some chimpanzees,  
G Em  
Some cats and rats and elephants, but sure as you're born,  
D A7 D  
You're never gonna see no uni-corns.
